TAXONOMY AND FAUNISTICS

- YILDIRIM E., T. LJUBOMIROV** – Faunistic Records on Sphecidae and Crabronidae (Insecta: Hymenoptera) from Turkey with Some Taxonomical Notes115
- KOÇ H., R. WAGNER, A. TONGUÇ** – Contributions to the Psychodinae (Diptera: Psychodidae) Fauna of Turkey125
- LAZAROV S.** – Spiders (Araneae) from the Maleshevska Mountain (SW Bulgaria) – Part I133

TERRESTRIAL ECOLOGY AND BEHAVIOUR

- MARKOV G., M. KOICHEVA** – Craniometric characteristics and differentiation of the sibling vole species *Microtus arvalis* and *Microtus rossiaemeridionalis* (Mammalia: Rodentia)145
- IVANCHEV I.** – Population Ecology and Biology of *Testudo hermanni* (Reptilia: Testudinidae) at the Eminska Mountain, Bulgaria153
- GEORGIEV D.** – Study on the Home Range of the Resident Female Otter (*Lutra lutra*), (Mammalia: Carnivora) in South-East Bulgaria165
- MARKOVA E.** – Influence of the Herbicide Tribenuron-Methyl on the Structure of the Hover Fly Community (Diptera: Syrphidae) in a Wheat Ecosystem173

EXPERIMENTAL ZOOLOGY

- ZHELEV Z.** – Investigation on the Blood Differential Formula in *Rana ridibunda* (Amphibia: Anura) from the Area of the Maritsa – Iztok 1 Steam Power Plant181

AQUATIC BIOLOGY AND ECOLOGY

- KOZUHAROV D., V. EVTIMOVA, D. ZAHARIEVA** – Long-Term Changes of Zooplankton and Dynamics of Eutrophication in the Polluted System of the Struma River – Pchelina Reservoir (South-West Bulgaria)191
- HUBENOV Z., T. TRICHKOVA** – *Dreissena bugensis* (Mollusca: Bivalvia: Dreissenidae) – New Invasive Species to the Bulgarian Malacofauna203

SHORT COMMUNICATIONS

- PEHLIVANOV L., G. ATANASOV** – *Silurus aristotelis* (Pisces: Siluridae): a New Species in the Bulgarian Ichthyofauna211
- GUÉORGUIEV B., L. MAGNANO** – New Name and New Combination in the Genus *Otiorhynchus* (Coleoptera: Curculionidae)215
- KALUSHKOV P., N. SIMOV, R. TZANKOVA** – Laboratory and Field Investigations on the Biology of *Oxycarenus lavaterae* (FABRICIUS) (Heteroptera: Lygaeidae) in Bulgaria217
- DEDOV I.** – On the Status of the Bulgarian *Pyramidula* (Gastropoda: Pulmonata: Pyramidulidae)221
